Education

Degree	University	Year	Specialization
B Tech	CUSAT	2013	Computer Science and Engineering
M.Tech	Calicut University	2016	Computer Science and Engineering

Experience

Year From	Year To	Organization	Designation
2016	2017	ANSAR Institute of Management Studies	Higher secondary Assistant Teacher
2017	2019	College of Engineering vadakara	Assistant Professor
2021	2026	College of Engineering vadakara	Assistant Professor
2026	Till Date	KMCT College of Engineering for Emerging Technologies and Management, Vadakara	Assistant Professor

Conference & Journal Publications

Sl.No	Name
1	Anagha P B, Janitha Krishnan, “Vote Credence: Social network Sybil Defense By User Behavior”, International Journal of Science and Research (IJSR), Volume 5, issue 6, June 2016

Achievements/ Contributions

Sl. No	Name
1	Presented an IEEE paper in the International Conference On New Frontiers In Science And Technology (ICNFSET’15) in 2015.

Subjects Handled

Sl. No	Name
1	Web programming
2	Algorithmic thinking with python
3	Programming in c
4	Internet of things
5	Comprehensive course work
6	Bioinformatics
7	Python for machine learning
8	Artificial intelligence
9	Advanced operating systems
10	Application development and maintenance
11	Entrepreneurship& innovations in technology
12	Advanced software engineering
13	Mobile computing
14	Software quality
15	Computer networks
